## **Report of Soft Skill Development Session**

### **INTRODUCTION**

A Soft Skill Development session was organized for all pharmacy students at AIMS College of Pharmacy on **Monday, 14th July 2025**. The primary objective of the session was to emphasize the significance of soft skills in academic success and professional growth. The session was conducted by **Mr. Anupam Panigrahy**, the Founder of **fierceglobal.in**, who is recognized for his impactful and motivating sessions.

### **EXPLANATION**

The session commenced with a warm welcome by Dr. Chaitrali Bidikar, who introduced the guest speaker, Mr. Anupam Panigrahy. She shared insights into Mr. Panigrahy's professional background, highlighting his role as the founder of **fierceglobal.in** and his expertise in leadership training, personal development, and career readiness.

Mr. Panigrahy began the session by explaining the vital role soft skills play in shaping students into competent professionals. He discussed essential qualities such as communication, problem-solving, adaptability, emotional intelligence, and teamwork. The session was interactive and engaging, featuring practical examples, live activities, and student participation to foster experiential learning. He further elaborated on personal development areas such as confidence building, presentation skills, time management, and the importance of a professional attitude. Students were encouraged to step outside their comfort zones, develop their public speaking abilities, and build a strong personal brand. His practical advice- such as goal-setting, improving non-verbal communication, and building resilience- was well appreciated by the attendees.

Principal Dr. Vanita Kanase also addressed the students, emphasizing the critical importance of soft skills in today's competitive world. She encouraged students to make the most of such sessions to enhance their personal and professional growth, and to view these skills as essential tools for future success.

The instructors, Ms. Pradnya Patil and Ms. Aditi Mhatre, along with Dr. Chaitrali Bidikar, were present throughout the session to guide and support the students. The session concluded with a formal vote of thanks delivered by Dr. Chaitrali Bidikar, expressing gratitude to Mr. Panigrahy for his valuable insights and to the **AIMS Foundation** for organizing the event.

Feedback collected from students and faculty was overwhelmingly positive. Participants found the session highly relevant and motivating, with many requesting more such interactive events to further develop their soft skills and career readiness.

## CONCLUSION

The Soft Skill Development session conducted by Mr. Anupam Panigrahy proved to be a highly informative and enriching experience for all pharmacy students. It successfully highlighted the critical role of soft skills in personal and professional development. The session encouraged students to reflect on their own communication styles, interpersonal behavior, and career preparedness. With active participation and practical takeaways, the session served as a strong step toward equipping students with the essential skills required to thrive in today's competitive world. Events like these not only enhance academic learning but also foster all-round growth, and their continuation is highly recommended.
