## **REPORT OF GUEST LECTURE ON PHARMACOVIGILANCE**

### **INTRODUCTION**

As part of the 5th Pharmacovigilance Week, a guest lecture was organized by AIMS College of Pharmacy on 19th September 2025 in the college auditorium. The session was delivered by **Mr. Ashish Jawale, Pharmacovigilance Officer at Primevigilance, Pune**. The lecture aimed to provide students with practical insights into pharmacovigilance and the importance of reporting and monitoring Adverse Drug Reactions (ADRs).

### **SESSION HIGHLIGHTS**

Mr. Jawale introduced the fundamentals of pharmacovigilance, explaining its global and national relevance in ensuring drug safety. He discussed the importance of spontaneous reporting systems, signal detection, and regulatory frameworks followed by agencies such as WHO, EMA, and CDSCO.

The interactive training emphasized ADR (Adverse Drug Reaction) reporting through real-life case examples, helping students understand the process of identifying, documenting, and reporting ADRs. Students actively participated in exercises designed to simulate ADR assessment and reporting, which gave them hands-on exposure to the concepts.

The session also highlighted career opportunities in pharmacovigilance, including roles such as drug safety associate, case processor, and aggregate report analyst. Mr. Jawale encouraged students to build strong foundations in drug safety, regulatory affairs, and clinical research to excel in this field.

### **CONCLUSION**

The lecture by Mr. Ashish Jawale was highly informative and practical, helping students connect theoretical pharmacovigilance concepts with real-world practices. The interactive format kept students engaged and motivated them to pursue careers in pharmacovigilance and drug safety. The session successfully contributed to the celebration of 5th Pharmacovigilance Week at AIMS College of Pharmacy.

### **Co-ordinators**

Dr. Chaitrali Bidikar

Ms. Pradnya Patil

Ms. Aditi Mhatre

(Recognized By : Pharmacy Council of India (PCI), New Delhi, Government of Maharashtra, Directorate of Technical Education, Mumbai  
(Affiliated To : University of Mumbai, Maharashtra State Board of Technical Education (MSBTE) )
