REPORT OF 5TH PHARMACOVIGILANCE WEEK CELEBRATION

Introduction

Pharmacovigilance plays a vital role in ensuring the safety and efficacy of pharmaceutical products, by monitoring, identifying, and preventing adverse drug reactions. To emphasize its importance and create awareness among budding pharmacists, **AIMS College of Pharmacy** celebrated **5th National Pharmacovigilance Day** with great enthusiasm and active participation from students. The two-day event aimed to educate students about the significance of pharmacovigilance in public health and patient safety.

Event Description

The celebration was conducted on **18th and 19th September 2025**, featuring a series of educational and creative activities.

On **18th September**, an **Online Quiz Competition** was organized for D. Pharm and B. Pharm students, designed to assess their understanding of pharmacovigilance concepts and practices. On the same day, a **Drawing Competition** was arranged on the theme "*Awareness of Pharmacovigilance*". The event witnessed enthusiastic participation from students, who expressed their awareness through innovative ideas and artwork.

On **19th September**, the second day of the celebration began with a **Guest Lecture** by **Mr. Ashish Jawale**, *Pharmacovigilance Officer at Primevigilance*. His session provided valuable insights into the real-world applications and growing importance of pharmacovigilance in the pharmaceutical industry. Following the lecture, a **Reel-Making Competition** was conducted, where creative reels made by students on the topic "*Awareness of Pharmacovigilance*" were showcased in front of all attendees. The event concluded with the **announcement of results and distribution of certificates** by **Dr. (Mrs.) Vanita Kanse, Principal**, and **Dr. Pritam Juvadkar, Head of Department**.

The overall event was meticulously organized by **Dr. Chaitrali Bidikar, Ms. Pradnya Patil, and Ms. Aditi Mhatre**, with commendable support from the **Student Council members**, whose collective efforts ensured the success of the celebration.

Conclusion

The 5th National Pharmacovigilance Day celebration at AIMS College of Pharmacy was an enlightening and engaging experience for all participants. It not only enhanced students' knowledge of pharmacovigilance but also encouraged them to take an active role in promoting drug safety and patient welfare. The event successfully blended education with creativity, reinforcing the importance of responsible pharmacological practices in the professional journey of future pharmacists.
