Report of National Constitution Day (Savidhan Divas) 2025

AIMS College of Pharmacy observed National Constitution Day with great reverence and patriotism to commemorate the adoption of the Constitution of India. The event was strategically organized in the **College Lobby** to ensure maximum visibility and participation, symbolizing the foundational importance of the Constitution in everyday civic life.

The program commenced with a brief introduction by the Ms. Sakshi Singh, highlighting the historical significance of November 26, 1949, and the pivotal role of Dr. B.R. Ambedkar in drafting the supreme law of the land. The event was a significant collaborative milestone, bringing together students from Pharmacy and Physiotherapy. This multidisciplinary gathering highlighted that the Constitution is the common thread binding all professional paths in India.

Following the introduction, Ms. Kirti Khutarkar, a student of First-Year D. Pharm, was invited to lead the assembly. With poise and clarity, she recited the Preamble, which was repeated in unison by the gathered students and faculty.

A significant presence was noted from the First-Year B. Pharm and First-Year D. Pharm students, for whom this served as a foundational experience in the college's culture of civic responsibility. Students from the Physiotherapy department participated alongside their Pharmacy peers, fostering a spirit of campus-wide solidarity. The teaching and non-teaching staff joined the students in the lobby, providing a mentorship-led approach to observing national days.

All arrangements for the event, including the logistics, setup, and coordination, were diligently managed by the Student Council Members under the guidance of the teaching staff.

The event concluded with a formal Vote of Thanks delivered by Ms. Aditi Mhatre expressing gratitude towards the staff, student council, and all participants. This was followed by a group photoshoot to capture the memories of the day.

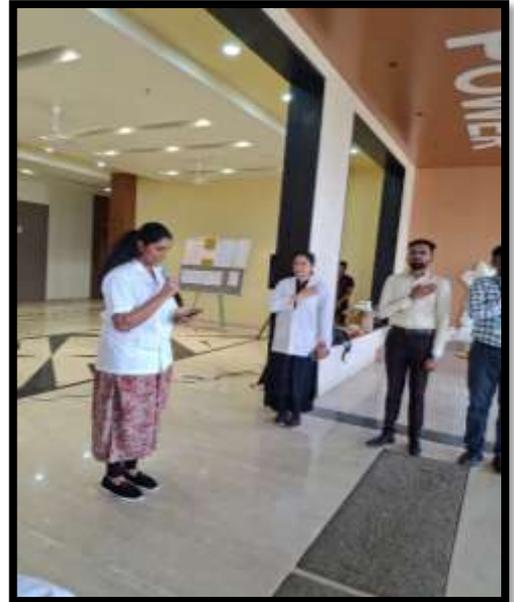

CONCLUSION:

The National Constitution Day celebration at the AIMS campus lobby was more than a formal requirement; it was a demonstration of institutional unity. By involving FY B. Pharm, FY D. Pharm, and Physiotherapy students, the college successfully sowed the seeds of "Constitutional Morality" in the minds of future healthcare professionals.
