## **Report of International Women's Day**

### **INTRODUCTION**

International Women's Day is celebrated worldwide to recognize the achievements, strength, and contributions of women in different fields. On this occasion, AIMS College of Pharmacy organized a special program on **9th March 2026** in the college auditorium to celebrate womanhood and spread awareness about women's health and empowerment. The event was attended by B. Pharmacy and D. Pharmacy girl students along with ladies teaching and non-teaching staff members.

### **EXPLANATION**

The program began with a warm welcome and an introduction to the significance of International Women's Day. A guest lecture was delivered by Dr. Kavita Torkar on the topic "Post-Menstrual Syndrome and Women Hygiene." She explained the problems faced by women related to menstrual health and highlighted the importance of proper hygiene and healthy lifestyle practices.

The second session was conducted by Mr. Vijay Kulkarni, who delivered a lecture under the Investor Awareness Program on Women Financial Empowerment. He explained the importance of financial planning, saving habits, and investment awareness for women so that they can become financially independent.

At the end of the session, a cake-cutting ceremony was organized, where all the teaching and non-teaching staff members were present to celebrate International Women's Day together. The celebration created a joyful and motivating environment.

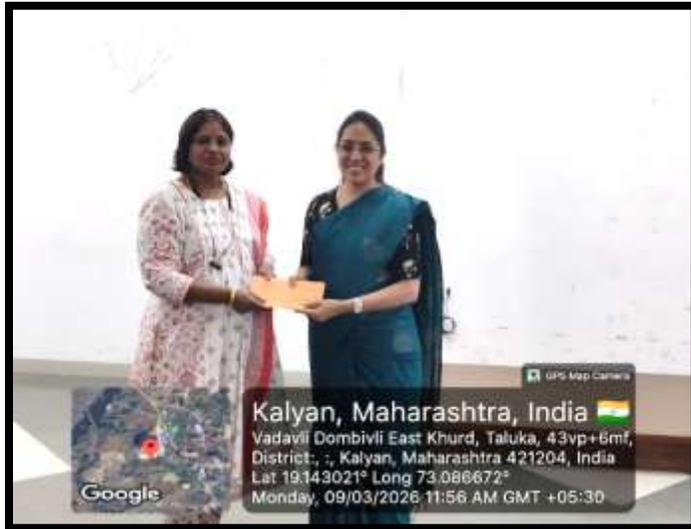

After that, Principal Dr. Senthamil Selvi appreciated all the participants and distributed roses along with inspiring messages to all the ladies staff members as a gesture of respect and encouragement.

### **CONCLUSION**

The celebration of International Women's Day at AIMS College of Pharmacy was inspiring and informative. The program helped in spreading awareness about women's health, hygiene, and financial empowerment. The event encouraged women to stay confident, healthy, and independent, making the celebration meaningful and memorable for everyone present.

(Recognized By : Pharmacy Council of India (PCI), New Delhi, Government of Maharashtra, Directorate of Technical Education, Mumbai
