REPORT ON TEACHERS DAY CELEBRATION

Introduction

A Teachers' Day Celebration was organized by the students of **AIMS College of Pharmacy** on **8th September 2026** in the college auditorium to express gratitude, respect, and appreciation towards the teachers. The program was dedicated to all the Degree and Diploma faculty members for their continuous efforts, guidance, encouragement, and valuable contribution towards the academic and overall development of the students.

The celebration provided an opportunity for students to acknowledge the significant role played by teachers in shaping their academic journey, professional skills, values, and future careers in the field of pharmacy.

Proceedings of the Programme

The celebration commenced with a soulful **Saraswati Puja**, seeking the blessings of Goddess Saraswati, the symbol of knowledge, wisdom, and learning. The auspicious beginning created a serene and positive atmosphere for the celebration.

Following this, the students conducted a **felicitation ceremony for the teachers** as a gesture of love, respect, and appreciation. Teachers were presented with **roses, chocolates, and gifts as tokens of love and gratitude** from the students.

The students then delivered an informative speech highlighting the life and contributions of **Dr. Sarvepalli Radhakrishnan**, whose birth anniversary is celebrated as Teachers' Day in India. The speech emphasized his contribution to education and his vision of teachers as important contributors to the development of society and the nation.

The celebration continued with **heart-warming speeches delivered by the students**, expressing their appreciation for the constant guidance, motivation, encouragement, and support provided by their teachers.

Adding a creative and emotional touch to the event, students presented a **poem and Shayari dedicated to teachers**. These performances beautifully conveyed the importance of teachers and their lasting influence on students' lives.

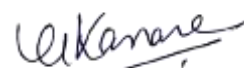

To make the celebration more enjoyable and interactive, the students organized **fun and engaging games for the teachers**. The activities encouraged enthusiastic participation and created a cheerful and lively atmosphere among the faculty members and students.

Conclusion

The **Teachers' Day Celebration 2026** was successfully conducted in a joyful, respectful, and enthusiastic environment. The programme provided students with an opportunity to express their heartfelt gratitude towards their teachers and recognize their invaluable contribution to their academic and personal growth.

The meaningful speeches, creative performances, felicitation, and fun-filled activities made the celebration memorable for everyone. The event successfully strengthened the **teacher–student relationship** and highlighted the importance of mutual respect, appreciation, and cooperation within the academic community.

Overall, the celebration was a **successful and memorable tribute to the teaching faculties**, leaving teachers and students with cherished memories and a renewed sense of appreciation for the teaching–learning relationship.
