

Ms. Aditi Arun Mhatre

B. Pharmacy
Registered Pharmacist | Educator

As a dedicated pharmacy educator, my commitment to fostering a dynamic and interactive learning environment is complemented by my academic qualifications. I have successfully guided many students through their academic journeys, helping them achieve excellence in both theoretical knowledge and practical skills. My experience spans curriculum development, student mentorship, and technical knowledge, ensuring that I contribute effectively to both student success and the advancement of the pharmacy program.

KEY STRENGTH:

- ✓ Experience in conducting and supervising lab sessions, providing students with hands-on experience in pharmaceutical chemistry and analysis techniques.
- ✓ Student-centered teaching approach that promotes active learning, critical thinking, and practical application.
- ✓ Guided undergraduate students as Cultural and Sports in charge in extracurricular activities.
- ✓ Ability to mentor and advise students, providing academic and career support to foster their professional growth.
- ✓ Dedicated to ongoing professional development to stay current with advancements in pharmacy education and practice.
